## ❖ Who we are—

Since 1982, Guarantee Carpet Cleaning has been locally owned and operated.

We take pride in serving Bowling Green and surrounding areas.

Our specialties include residential, commercial, and apartment cleaning.

We are a member of IICRC: the Institute of Inspection Cleaning and Restoration Certification.

See our A+ rating and reliability report from the Better Business Bureau by clicking on the BBB icon on our homepage.

## ❖ How we do it—

While we're working, we make sure to treat clients' property with respect. For this reason, we bring our own water and remove waste water from the premises.

We use Sta-Clene 940® fiber and fabric protector which guards against future spills, stains, spots, and soils. This treatment will help keep stains from penetrating and ruining carpet fibers and furniture fabric.

Our carpet cleaning method (Bane-Clene) is recommended by leading carpet makers. This system means that we do not use abrasive brushes or harsh chemicals. Your carpets are left cleaned and freshened, yet they remain soft; their texture is restored; and colors are brightened.

We employ odor control and deodorizing techniques.
